HIGH SUMMER 2026

A Lollys summer, in its essence – styled your way

Lollys Laundry presents collection 26.2 – a high summer universe filled with vibrant energy and effortless charm. This drop captures the season's spirit through a playful mix of color, print, and texture. From light lace to bold stripes in bright tones and romantic florals, the collection embraces both the classic and the unexpected.

Designed to be styled across occasions, the pieces reflect Lollys Laundry's signature balance of feminine silhouettes and casual ease. Flowing maxi dresses, crisp cotton styles, fun tees and airy shirts invite freedom of movement, while statement knits and printed vests add layers of personality. Every detail – from embroidery to subtle structure – is created to make each style stand out.

Collection 26.2 is all about versatility and expression. Whether dressed up for long summer nights or styled casually for everyday moments, the pieces are made to be mixed and matched, reflecting the individuality of the Lollys woman. It's a wardrobe that feels both timeless and fresh – and one that celebrates the joy of dressing for the season.

With love from
